February 2018

Connecting with God . . . Connecting with Others . . . Connecting with what God is doing in the world.

Senior Pastor Lines . . .

GROWING . . . In – With – For will be the theme around Living Lord Church for our coming year. In Christ – With Hope – For the Kingdom. There are all kinds of ways we can express it. We will emphasize outreach and invitation to our neighbors and friends. We know and celebrate a God Who loves the whole creation, has spoken the promise of grace through the Scriptures, has joined with all humanity in Jesus, stands for justice and peace, calls us to discipleship, and invites us to share and serve in His Name. Let's get GROWING as a congregation together. Think how Living Lord Church can walk along side you and your family as you grow in Faith and Hope and Love.

February 14 is Valentines Day. It's the traditional "love" day in our land. Cards abound that express love and commitment. Even more cards invite an answer to the question, "Will you be my valentine?" St. Valentine was a Christian in the 3rd century. Many stories circulate about him but all agree love for others was a principle gift in his life. He was martyred for sharing that love of Christ. On February 14th, this year, we will begin our Lenten Season, that is Ash Wednesday. What a great day it will be to begin our consideration of Jesus' way to the Cross! We will have worship on the 14th both at noon and 7:00 pm. (Plus dinner from 6 – 7, our world famous men's fish fry!)

Interestingly enough, in 2018, Easter falls on April 1st! So we begin with self sacrificing Love and we end in the foolishness of the proclamation of a Crucified and Risen Savior! What a great season this will be! Let's grow together in Lent. Let's grow in the Grace of God through Jesus and relish in the "foolishness of God." (1 Corinthians 1:18)

Our theme for the season of Lent will be **Growing in the Promises of God**. The wonderful Covenants made by God will be our focus. Covenants made to humanity through Noah, Abraham, Moses, David, Jeremiah and culminating in the fulfillment of all God's promises in Jesus. What do God's promises mean for us as we live in these days of anxiety and fear? How will we embrace these promises and live as new and renewed people? How will we serve humanity? How will we grow in the Grace of these promised relationships? How will our faith impact every other part of our lives? Join us in worship, prayer, study and conversation as we are Growing in the Promises of God.

Consider how our life together, our worship together, our growing together, our serving together finds its way into the world around us? More and more I am convinced we multiply the grace of God when we touch people's lives and the systems of the world in the places and relationships of our Monday through Saturday worlds. I claim all your comforting word, your compassionate gestures, your speaking out for justice in the workplace, your tenderly touching the broken hearted. I claim it all as ministry of Living Lord Church. We have a wide reach as we all go from this community and place of worship into our everyday world. We have a wide reach as God intended and as God inspires us! Let's Keep Growing!

Christian Seder Meal

This year on Maundy Thursday (March 29 at 6:00 p.m.) we will once again look back at where our service of communion started by having a Christian Seder Meal. It is still a ways out, but the planning has started.

This celebration will include a meal of the traditional Passover foods of lamb, hard boiled egg, bitter herbs, parsley and matzah. We will taste these foods as we remember what Christ was doing on Maundy Thursday. Then we will have a soup supper.

We will need quite a few volunteers to facilitate this meal! Specifically, we will need people to set up on the Wednesday before, we need volunteers to provide soup, someone to cook eggs, lamb and chop fruits and veggies, we also need people to serve the meal and then help clean up!

If you would be interested in volunteering to help with this project, please contact Donna DeMauro at donna@demaurostl.com

In a few weeks, you will see a sign up sheet in the gathering space. It will important for us to know how many people we are preparing for.

Altar Guild

Attention Ladies (and Men) of Living Lord: We currently have 14 faithful servants on our Altar Guild who set up the altar for communion for 3 weekly services over the 52 weeks in 2018. We would love to share this Holy Housework commitment with more volunteers. The commitment is not difficult - training and support is available, instructions and experts are always nearby. Please contact Lori Marroquin @ 636-699-9908 or LoriMarroquin2013@gmail.com to help out with this important worship team group.

Adult Studies

Thoughts from Youth Ministry

Confirmation is one of the most favorite and most challenging aspects of working with youth. Middle schoolers are full of energy and excitement and possess a huge capacity to learn. This makes it exciting and fun but can also

make them a handful. If you lose your ability to direct that energy, a room of 6th, 7th and 8th graders can turn everything upside down before you know what happens.

For the past couple months we have been studying the Apostle's Creed and pushing the youth to explore what they believe. Usually the first two portions of the Creed are pretty concrete and full of concepts the young people can readily digest. Then you hit topics like resurrection, judgment of the living and dead, communion of the saints, etc. and the questions just start pouring out.

Last week was one of those weeks. We tackled the beginning of the Third Article of the Creed and I am not sure if we answered or initiated more questions. I think most of us struggle with understanding the Holy Spirit and the concept of the Trinity. But last week Pastor Roy made a point that has stuck with me all week. **He defined the Holy Spirit as God who is with us.** God who is with us. Not God the almighty Creator and Lord of all. Not God our Savior and Redeemer. But God who is walking along side us to this day.

I think this is the God we may need more than anything else right now. We need a God who walks with us in our pain and suffering. We need a God who holds us in our doubts and leads us to insight. We need a God who pushes us each day yet gives us comfort when the road is too hard. That is the God we need to believe in and embrace. God who is with us.

SHOES

Don't forget to keep bringing in your no longer needed shoes or even new shoes for our **Shoeman collection**. The proceeds from the collection are used to buy water purification systems or are used for water drilling and wells in

remote areas of the world. It takes 2000 pairs of shoes to have enough money to purchase a water purification system for a remote village. We now have collected enough shoes for **TWO** water purification systems, PLUS!! The **donation box** is situated below the stairwell at Living Lord. Thanks again! This is a great thing to do!

OASIS Food Pantry News

OASIS Annual Christmas Shop = Happy, Warm Children. During the second weekend in December Hope Lutheran Church gym was again transformed into a Christmas shopping wonderland for OASIS parents. This year, with the help of our dedicated volunteers and generous donations from around the county, we provided toys, coats, gloves, and other goodies to 733 St. Charles area children to make their Christmas's bright.

On your mark, get set, go!

The annual **Youth Food Challenge** begins February 11. This year the competition looks fierce so get ready to up your game. Get those grocery bags out and let's get shopping!

Honduras Mission Trip Report

I am so honored to have been on this trip. While on Honduras our team:

- Saw 250 eye care patients in two days
- Prescribed 125 glasses
- Built a house for a family in a mountain village
- Brought 200 tamales and toiletries to the homeless at the dump
- Brought 100 tamales and cupcakes to those sleeping outside of the hospital.

I was so honored to be able to treat the people of Honduras. They called me Dr. Smith and I was able to prescribe glasses and diagnose eye pathology. The smile on the face of a child when they put on glasses for the first time was incredible. The gratefulness of a grandmother who had been able to sew, cook well, or read her Bible for years when she put on readers for the first time reassured me of my purpose.

The family that we built a house were so appreciative. On the day that the house was finished the mother came home after a long day of work and we surprised her in the house. She cried and we cried. It was beautiful.

At the dump where the homeless lived the women were so very appreciative of the toiletries for themselves and their families. I am so thankful for a wonderful community at Living Lord that came together to fill nearly two suitcases full of toiletries. Thank you for continually supporting me and my endeavors. I am truly blessed.

Stephen Ministry

For some people, Valentine's Day is a painful reminder of a broken relationship, the death of a loved one, a recent relocation, a chronic illness, or another life challenge. If you are going through a difficult time, our Stephen Ministers can bring Jesus' love (God's ultimate Valentine) back into your life. Stephen Ministers provide confidential, one-to-one Christian care. They will meet with you privately on a weekly basis to listen, to support and encourage you, to pray with and for you, and to walk with you for the duration of your struggle.

To find out more about Stephen Ministry and how you or someone you know could be matched with a Stephen Minister, talk with *Nancy Corbett*, *Janie von Wolfseck*, or *Kathy Mort*. Our Stephen Ministers are ready to care for you!

Travel Pack Ministry

Debbie Alsup, Merry Kral, Marilyn Stueber and I (Kay Neal) were called to create a new ministry in partnership with the Lake St. Louis Police Department that provides travel packs for individuals who were on the streets or in a homeless situation in our area. Our packs included hygiene items, snacks, water, Gatorade, gum, candy, gloves and socks to name a few. We enjoyed creating a plan, shopping for items and organizing the items in cinch bags for easy use by both the police department Chaplain McDonald and the end users. Matthew 25:40, *"Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me."*

The Bridge will be having a Bridge Fair Trade Valentine's Sale on February 3 and 4 at Living Lord.

Living Lord Shirt Sales

A variety of shirts are still available. Proceeds go toward playground equipment for our children and their families. This will be a perfect place for families and children to connect. Contact the church office for your new shirt!
